If you are traveling from the East: drive on the **A3** 87 Nürnberg-Mögeldorf (direction Nürnberg-Zentrum (Center)/ Röthenbach a.d. Peg / Schwaig) and follow signs to Nürnberg/ Mögeldorf. Go down Nürnberg Str./St2241 and then turn onto the Ostendstrasse after approx. 6km; turn onto the Kressengartenstrasse after approx. 300m. Google maps does not show this as possible but you can turn left at the traffic lights and then drive straight to the MID building.

If coming from the other direction: follow signs to the main railway station (Hauptbahnhof). Keep on the Bahnhofstrasse in a north-easterly direction and turn left onto the Dürrenhofstrasse. Keep in the right-hand lane and then immediately turn right into the Kressengartenstrasse. Take the first right at the traffic lights after approx. 300m. You will then see the Telekom building on the right-hand side; drive straight on to MID's building.

**P** Parking spaces can be found to the right of the MID building or in the parking garage (MID parking spaces can be found on level 4).
